BOULDER WRECKS TRACTION CAR; 5 MEN INJURED

CONGRESS AWAITS COOLIDGE'S MOVE IN MINER'S STRIKE

Operators and Miners May
Submit Differences
To White House

NO INTERVENTION AT ONCE, BELIEF

Action On Bill Establishing
Industrial Adjustment
Board Demanded.

Washington, Feb. 10.—The eyes of congress and the coal-seeking Atlantic seaboard were upon the White House today when President Coolidge maintained silence over a senate request to act as a peace-maker in the anthracite coal strike.

While there were few prospects of the president immediately intervening in the strike, rumors reached the senate that its action in urging the executive to invite the warring factions to a peace conference might result in the operators and miners voluntarily submitting their differences to the White House for arbitration.

The operators were reported as willing to accept any decision reached by the president while movements were afoot to get a similar concession from the striking miners.

Senator Copeland, D. of New York, who sponsored the resolution calling on the president to intervene, declared he was hopeful of executive action.

"Public opinion forced the senate to act," said Copeland, "and public opinion will force the president to act. I think he can and should settle the strike."

Will Not Act At Once

The Progressive-Democrat combine, which forced the senate to adopt the resolution after two earlier defeats, meanwhile directed its drive toward securing action on the Robinson bill, to establish a federal board of industrial adjustments, intended to arbitrate coal strikes.

With the president formally requested to intervene, administration leaders were reported more friendly toward legislation which would give the executive some power of settling labor disputes.

"I am hopeful of course that the strike will be settled," said Senator Reed, R. of Pennsylvania, explaining this attitude. "But I don't believe a settlement was accelerated a single minute by passing that resolution. I think it is wiser to arouse hopes when we in our hearts know that it will amount to nothing."

While the president has carefully refrained from committing himself as to whether he will accede to the senate's request, the impression prevails that he will not act immediately, at least.

He is expected to take cognizance of the senate's action, however, by renewing his demand that congress pass the bill empowering the executive to interfere, which has lain dormant at the capitol since the last coal strike, two years ago.

WILLAMAN RITES TO BE HELD HERE

Body of Athletic Coach To
Arrive In Salem Thurs-
day Morning.

The body of Frank Willaman, 28, who died of pneumonia in Ames, Ia., will arrive in Salem Thursday morning and arrangements for the funeral services will be made tomorrow.

Willaman, who was the son of Mr. and Mrs. C. D. Willaman, 491 Lincoln st., was born in Salem, Aug. 17, 1907. He attended the Salem public schools and at Salem High was one of the greatest athletes in the school's history. He graduated in the class of 1926.

He went to Ohio State university from Salem, and there attained a high place in the university's athletic history by his remarkable work. After a year there he went into the service, was at Great Lakes training station and after the war, re-entered State and finished in the class of 1921. In his last year he was chosen all-Western fullback and some experts named him on their all-American team. Frank also played on the Great Lakes team.

When his brother, Samuel S. Willaman, was named head coach at Iowa State College, Ames, Frank was chosen assistant and director of inter-collegiate athletics. A position he held at the time of his death. He was as much an athlete and a great teacher of clean sports.

On June 27, 1922, he was married to Edna V. Bluth of Bucyrus, an Ohio State graduate, and to them was born a son, Frank Jr., both of whom survive him. He is also survived by his parents, two brothers, Sam, and Dan, a student at Ohio State; and two sisters, Martha, a student at Iowa State and Mrs. Mary Parks of East Cleveland.

Oddities of Today Blown In Latest Snowstorm in Ohio

Cleveland, Feb. 10.—Maybe, because it's a business requiring irregular hours and only intermittent sleep. Anyhow some one entered a jewelry store here and stole 19 alarm clocks from a show case.

East Liverpool, Feb. 10.—There'll be no more Saturday night dances in East Liverpool. The mayor has ordered that permits be denied because the police force is too small to cope with possible disorder.

Cleveland, Feb. 10.—Noah Liebhart excited the sympathy of Mrs. Helena Mossman, pretty widow, and she hired him to do the cooking and "odd jobs" around the house.

This was all right until Mrs. Liebhart learned that the "odd jobs" included belting Mrs. Mossman on his "an" and administering homeopathic doses of kissing. She sued for divorce. Mrs. Mossman, a witness, admitted the charges, but said it happened "only once."

26 AMERICANS ARE HELD AS HOSTAGES

Washington, Feb. 10.—Sinyang has been occupied by Kuomintang troops and the entire foreign population, including 26 Americans, is being held as hostages. The State department was advised today in a delayed dispatch from John V. A. Mac Murray American minister at Peking. Peking authorities are conducting a vigorous investigation.

Sinyang, about 150 miles north of Hankow, fell on Feb. 4, the report said.

NATIONAL TITLE FOR CHARLESTON WON BY YOUTHS

Chicago, Feb. 10.—The national Charleston championship was on its way to Grand Rapids, Mich. today, in the possession of a couple who, three months ago, had never attempted to perform the dance.

Out of a field of 28 couples, representing the pick of the nation's best Charlestoners, J. E. Sullivan, 18, and his sister, Louise, 20, of Miami City, captured the title here last night in a national competition. Chicago's representatives, Katherine Osborne and Lyman Curry, finished second, and third prize went to Esther Tisleben and Homer Menggenberg, of Clinton, Ia.

The prizes were awarded by Mayor Thomas P. Stoney of Charleston, S. C.

REPUBLICANS TALK CONVENTION PLAN

State Central Committee
Discusses Pre-Primary
Candidate Choice

Columbus, Feb. 10.—Consideration of the proposal for a pre-primary convention to be held by Ohio Republicans this year is expected to mark the meeting here today of members of the Republican state central committee. Plans for paying off the \$70,000 deficit incurred during the last campaign, also may be discussed.

Last state legislature failed to take action relative to the plank in Republican state platform urging enactment of pre-primary convention law. In the event that such a convention is held, the names of the candidates approved by the convention delegates would be placed upon the August primary ballot as the party's choice.

This action, however, it was pointed out, would not interfere with the right of any other G. O. P. candidate to enter the primary contest.

First To File

Columbus, Feb. 10.—First Republican candidate for governor to file his declaration of candidacy with the secretary of state is Thomas W. Latham, Monroeville, former state senator.

MEN LIVE AFTER AUTO'S PLUNGE OFF HIGH CLIFF

Cleveland, Feb. 10.—Principals in a hair-raising experience, in which the auto in which they were riding ran across a sidewalk, plunged across a dirt road, broke down a strong fence and then hurtled off a 100-foot cliff to the ice-covered Rocky river below Lewis Taylor, 32, and Nicholas Alex, 40, both of Cleveland, were in Lakewood hospital today, suffering from serious injuries, but with more than an even chance of ultimate recovery.

The accident occurred last night, and their rescue followed their horror-stricken cries, as they saw the deep ravine facing them. The means by which they were rescued were scarcely less

OHIOAN HELD FOR JURY TAMPERING

Donovan Offered Bribe To
Prospective Juror, In-
dictment Charges

Cleveland, Feb. 10.—James F. Donovan, of Mansfield, today stood indicted by the federal grand jury here on a charge of alleged jury tampering.

The indictment returned late yesterday after the jury had heard the testimony of Gustav A. Baehr, former Richland county sheriff, and spokesman summoned for jury duty in the last trial of Josiah Kirby, which resulted in his conviction on a charge of using the mails to defraud, alleges that Donovan told Baehr that if he became a member of the jury and stood firm for acquittal he "would be taken care for the rest of his life."

Donovan, for whom a wide search was made, was arrested at River side, Calif., Monday, and is now held there, pending the arrival of officers from the United States district court here. According to dispatches from Los Angeles Donovan has waived extradition.

Samuel Hoskins, Columbus lawyer, formerly prominent in Democratic political circles, has been summoned as witness in the jury tampering probe. District Attorney Bernstein announced. This was taken to mean that other cases as well as those involving Kirby as a defendant would be investigated.

Hoskins, with former Prohibition Commissioner J. A. Shearer, Prohibition Agent Fred Counts and others, was acquitted a few years ago on a charge of conspiracy in connection with the release of liquor to the million dollar hair tonic company here.

ARREST PONZI ON 4 INDICTMENTS

Jacksonville, Fla., Feb. 10.—Charles Ponzi, financier, was arrested today following his indictment on four charges of violating the state financial laws. Mrs. Ponzi, also was arrested.

Ponzi had been sought since the indictment was returned Tuesday. He refused to talk.

It was expected by authorities that Ponzi would be able to post bond when arraigned later.

WORLD COURT FOES SEEK WITHDRAWAL MOVE IN CONGRESS

Withdrawal Drive Starts
Before Adherence Be-
comes a Fact

Washington, Feb. 10.—A nationwide campaign for American withdrawal from the world court—even before American adherence has become a fact—is to be launched in the near future by the senate battalion of irreconcilables.

With such a campaign in mind, the irreconcilables already have held one secret meeting, it was learned today, and will soon meet again in an effort to perfect a permanent anti-world court bloc in the senate and a national organization, devoted to keeping the United States out of "foreign entanglements."

The first goal of the bloc, aided by the national organization, under the name discussed by the irreconcilables would be to withdraw the United States from the world court under the reservation, written into the Swanson resolution of adherence, which provided for an American withdrawal through majority action of the two houses of congress. This reservation, a part of the conditions upon which American adherence to the court was based, can be invoked at any time.

The irreconcilables, it was said, discussed the advisability of launching their withdrawal campaign even while the American government is seeking acceptance of its reservations by the 50 odd other nations, now members of the court. This diplomatic feat, it was pointed out, may consume many months, by which time, the irreconcilables hope to have public opinion sufficiently aroused against the court to insure American withdrawal before any question, affecting this nation, can ever be submitted to it for arbitration.

4 CHILDREN ARE BURNED TO DEATH

Mother Saves Two But Fire
Keeps Her From Rescu-
ing Rest of Family.

Cotestville, Pa., Feb. 10.—Four children of Mr. and Mrs. Benjamin Eiters, living near here were burned to death early today, when fire of unknown origin destroyed the Eiters home.

The dead: Frances, 8; Benjamin, 5; George, 3; and Theodore, 2. Mrs. Eiters, 36, said she was awakened by the fire and quickly dropped two of her children to safety from a window from a window flames blocked her way when she started to another room for the other four, she said. The woman then jumped to safety.

MASONS SPONSOR SUCCESSFUL PLAY

"Are You a Mason?" a delightful comedy, was enjoyed by a large audience at the High school auditorium Tuesday night.

This play, given by the Salem Masonic club, had a large cast of capable Masonic actors from Alliance where the Alliance group first presented the farce.

The efforts of several characters to pose as Masons got them into all kinds of trouble and provides the fun of the show. It will be repeated tonight.

ASK KELLOGG TO TELL HIS REASONS

Washington, Feb. 10.—Secretary of State Kellogg was requested today to explain his reasons to the senate foreign relations committee for barring Countess Karolyi of Hungary.

At a meeting of the committee today to consider the Borah bill, which would repeal the powers of the secretary of state to exclude all will foreign visitors, it was voted to invite Kellogg to appear before the committee.

Big Rock Loosened By Snowfall, Crashes Down Liverpool Hill

Fifteen Others On Car Escape With Minor
Injuries; Blizzard Halts Traffic In
Ohio and Throughout the East

A new snow storm, sweeping through the country northward from the Virginia coast, today took a toll of lives and threatened to create as much havoc as the season's first blizzard last week.

Three men were lost at sea at Gloucester, Mass., when a storm driven fishing vessel rounded on the rocks.

A man was killed in New York when blinded by the snow he stepped in front of a train.

One child was killed and three others injured in Washington, due to the storm.

Five and one half inches of snow fell Tuesday night, according to Lawrence H. Copeland, district weather observer Wednesday.

There are between eight and nine inches of snow on the ground and country roads are badly drifted. Rural mail carriers have to detour through fields, in covering their routes.

All county and state snow plows were put on the roads early Wednesday morning. All main highways, east and west, and north and south, are open to traffic, although on some parts of the roads the snow is badly drifted.

East Liverpool, Feb. 10.—Five men were injured, one seriously, when a huge boulder, estimated to weigh 80 tons, loosened by a six-inch snowfall, crashed down a hillside and wrecked a "deadhead" car on the Steubenville, East Liverpool, and Beaver Valley Traction company's line here today.

The injured are: Robert Reehl, 25; Robert White, 40; Roy Nicholson, 34; Donald Glass, 21, all of Wellsville, and Fletcher Coward, 38, of East Liverpool.

All except Coward, a cook, who was the most seriously injured, are traction company employees.

Fifteen other street car men on the car escaped with minor injuries.

The boulder demolished the roof and one side of the car which met the obstruction head-on.

The car—a one-man type—used to pick up traction company workers, was on its way to the car barn when the crash occurred. Reehl was operating it.

The accident completely tied up street car traffic in the city, as the boulder blocked both tracks on which all cars from the barn must operate in order to reach the various divisions.

Capital Is Buried
Washington, Feb. 10.—The national capital was buried today under the heaviest snowfall of the year.

A blanket of above 12 inches prevailed on the level, impeding traffic and making thousands living in nearby Maryland and Virginia late to work.

The snow storm caused the death of one child, the probable fatal injury of three others, and a dozen traffic accidents in which motorists were less seriously injured. Rosemary Corbey, one year old, was killed in a motor collision in front of the treasury building.

Drifts In Pittsburgh
Pittsburgh, Feb. 10.—This city was covered with a five-inch blanket of snow today. Automobile and street car traffic was delayed. Workers were sent out to clear paths through the deep drifts.

One Dead In N. York Storm
New York, Feb. 10.—With snow still falling early today the city faced another million dollar snow-shovelling bill. Hardly was the work of clearing the streets well under way before a blizzard which lasted all night virtually undid the work of thousands of men.

Four inches had been added today to the fall of ten inches which bound the city last week. Traffic was again demoralized and shipping was tied up to await possible visibility.

One man was killed when struck by a snow train. He had been blinded by the storm. He was John Devlin, 33, an elevated track walker.

A change of wind late today was expected to dissipate the blizzard in New York and bring relief to New England which has been suffering from low temperatures. The Connecticut valley reported 20 below.

Kansas City Girl, 19,
Will Make Debut As
Grand Opera Singer

New York, Feb. 10.—History will be made on next Tuesday when the first train to cross a continent for a native prima donna's debut will pull into Grand Central terminal bearing 200 natives of Kansas City come solely for the purpose of hearing 19-year-old Marion Talley of their city sing her first operatic role.

At the performance of "Rigoletto," next Wednesday, every seat not held by a subscriber to the Metropolitan opera house will be occupied by a native of Kansas City. After the performance, it is probable that Miss Talley will hold a reception on the steps of the opera house.

With the various entertainments planned, and including the opera and extended trip railroad tickets it is estimated that the cost of the junket to the people from Missouri will be about \$50,000.

SAMUEL ENTRIKIN, AGED 79, IS DEAD

Complication of Diseases
Causes Death at Home
Of His Son Here

A complication of diseases was the cause of the death of Samuel Entrikin, 79, which occurred at 11:30 p. m. Tuesday at the home of his son, Vernon Entrikin, East Seventh st. He had been ill for the last three weeks.

Samuel Entrikin, son of Samuel and Sidney Entrikin, was born August 20, 1846, south of Salem. On February 24, 1870, he was united in marriage with Frances Filson, who preceded him in death 18 years ago. Mr. Entrikin was a member of St. Jacob's Reformed church, north of Lisbon.

He is survived by two sons, Vernon, at whose home he died, and Frank Entrikin, of Ellsworth ave.; one sister, Mrs. Susan Windle, of Kunkle, Ohio; four grandchildren, and one great grandchild.

The funeral service will be held at the home of Vernon Entrikin, 141 East Seventh st., at 2 p. m. Friday. Rev. Weaver will officiate. Interment will be in Grandview Burial park.

PREDICTS REPEAL OF VOLSTEAD ACT

Chicago, Feb. 10.—Repeal of the Volstead act is predicted editorially in the February issue of Extension magazine, official publication of the Catholic Church Extension Society of the United States, off the press today.

Simultaneously a statement by Cardinal Mundelein, telegraphed from Daytona, Fla., where he is on vacation, and made public through the chancery here, declared prohibition is a political matter, not affecting the church.

whole column. The shorter letters are most widely read. Lack of care in preparation, either in chirography or in construction, or in both, sentences many letters to the waste basket. The editor cannot take time to decipher an ill written letter or to rewrite a rambling, obscure one. Both writing and meaning must be plain. Then there are the letters which are merely abusive. Persons in public or semi-public life are legitimate objects of criticism but sharp and effective criticism can be made without resort to abuse, innuendo and slander. Vituperation is generally a confession of ignorance or the weakness of one's cause. The fourth and most frequent reason for not publishing is that letters are not signed. Make your letter brief, clear and courteous, letting the editor, at least, know who you are, and it is almost certain to be published and read.

Questions And Answers

By FREDERIC J. HASKIN

Q. How should oil be applied to a baseball bat? H. N.

A. A small amount of natural oil should be applied to a baseball bat and rubbed in with a hand. After it is thoroughly rubbed in, the bat should be put away in a cool dry place. It is batted once a week from now until spring the bat should be in good condition.

Q. Where are there memorials to Abraham Lincoln? J. A. W.

A. There are innumerable memorials erected to Abraham Lincoln throughout the United States and also in other parts of the world. The most noteworthy include those at Brooklyn, Cincinnati, Illinois university, Lincoln (Ill.), Springfield, Illinois; Muskegon, Mich.; Newark, N. J.; and Washington, D. C.—statues at the National Capitol, the city park, Lincoln park and Lincoln memorial also at London and Edinburgh.

Q. Can nuts be called fruits? C. T.

A. In botany the fruit of a flowering plant is the matured seed vessel and its contents together with such accessory parts as become fully incorporated with them. Thus in a botanical sense not only apples, grapes, etc., but all berries, nuts, grains, beans, pumpkins, cucumbers, etc., are fruits. Popular usage has become much narrower. The grains have been dropped and the tendency is to drop nuts also, so that a fruit is now generally understood to be the fleshy, juicy product of some plant which when ripe is edible without cooking and adapted to use as a desert.

Q. Where was the first modern hippodrome built and how large was it? G. E.

A. The first indoor circus of modern times was built at Paris in 1842. It was built entirely of wood, the arena was 108 metres long and 104 wide and it had a seating capacity of 15,000 persons. This was destroyed by fire in 1879.

Q. What is the national forest 10 per cent fund? I. M.

A. The act of Aug. 10, 1912, gave 10 per cent of the national forest receipts to the Forest Service for the construction of roads and trails within the forests. This amounted to \$497,181.57 for the fiscal year 1925. To the present time the 10 per cent fund has amounted to \$5,038,339.54.

Q. Did any of England's pipe organs survive the time of Cromwell? R. H. W.

A. In England there are no remains of organs constructed during the mediaeval period. Andley says: "Owing to the general destruction of organs in the time of Cromwell, we have no conception of the richness of the church organs during the 15th and 16th centuries. The more beautiful and richly decorated organs, the more completely they were destroyed, and their pipes melted down for bullets."

Q. How is a briquette made? G. K.

A. The briquette is a form of fuel, known also as "patent fuel," consisting of a small coal compressed into solid blocks by the aid of some binding material. For making briquettes the small coal is previously

washed, is dried to reduce the moisture to at most 4 per cent, and is necessary crushed in a disintegrator. It is then incorporated in a pug mill with from 8 to 10 per cent of gas pit and softened by heating to between 70 degrees and 90 degrees C. to a plastic mass, which is molded into blocks and compacted by a pressure of one-half to two tons per square inch in a machine with a rotating die plate somewhat like that used in making bricks.

Q. When did long trousers first appear in the United States? H. C.

A. The fashion of wearing pantaloons was imported from Paris in 1805. It was 10 or 15 years before "gay gallies" gave up their "shorts."

Q. What was the last composition played by Haydn? F. E.

A. Five days before his death Haydn was carried to his piano. He played his own hymn to the emperor. This was the last time he touched his instrument.

Miss Wilda Allen and John Little exchanged their marriage vows at a wedding ceremony at 8 a. m. Wednesday at St. Paul's Catholic church with Rev. Ignatius Rauh, officiating. The bride was attractively gowned in rose colored crepe tulle and wore a large picture hat, and accessories to match. The attendants were Miss Virginia Walpert, Miss Leo Voneman of Canton, Miss Walpert wore a creation of gray Elizabeth crepe and harmonizing accessories.

After the ceremony a wedding breakfast was served at the home of the bride's aunt, Mrs. John Ketterer, Ellsworth ave. The table was beautifully decorated in pink and white tones.

Mrs. Little is a daughter of Mrs. James Cerna and has been employed at the Ohio Bell Telephone Co. exchange. Mr. Little, a son of Mr. and Mrs. Wesley Little is employed at the Oriental store.

After a honeymoon trip to Cleveland, Mr. and Mrs. Little will be at home to their friends in a newly furnished home on East Eighth st.

Classes Have Banquet
Numbered among the enjoyable social events of Tuesday evening was the banquet at the First Baptist church.

It was given by the Baraca class of the Sunday school to members of the Anoma class, who won in a contest with this class.

The tables were prettily decorated in blue and white tones, the class colors, and graced by flowers. Among the guests were Rev. G. A. Beers, Mr. and Mrs. Robert Vickers, the former superintendent of the school, and Prof. and Mrs. Farris. Talks were given by Rev. Beers and Prof. Farris, and the evening concluded with vocal selections. After the meal games interested the guests.

Cards and dancing contributed to an evening of pleasure at a party given by Salem council No. 1818, Knights of Columbus, Tuesday evening at the hall, Broadway. It interested about 75 couples and some of the guests came from Lexington.

First prize winners in the card games were Mrs. Dan Geston, Mrs. George Lehnert, George Endres and Merton Schenck. Consolation honors were claimed by Mrs. William Nalls and Mr. Enclert.

The Rainbow Sky Larks played the dance program. The council will give an old fashioned dance Tuesday evening, Feb. 16, at the Memorial building.

Travelers Club
Miss Isabel Mullins gave the first paper on the program at a meeting of the Travelers club Tuesday afternoon. Her subject was "Naples—Excursion to Capri and Pompeii." Mrs. R. E. Smucker, who visited Rome last summer gave a splendid talk relating to her observations in that city.

Mrs. A. R. Silver contributed a paper on "Venice" and Miss Grace P. Orr sang three pleasing solos, "Thanks Be To God," "Trees" and "A Dream." She was accompanied by Mrs. A. W. Stoner. In one week the members will meet again.

Friendship Circle
A surprise miscellaneous shower for Mr. and Mrs. John Knisley, whose marriage was a recent event, featured a meeting of the Friendship class of the First Friends church, taught by Edgar Smith, Tuesday evening at the home of Mr. and Mrs. Wilmer Whinnery, West Pershing ave.

Games, music and a lunch were pleasures of the social period. Mr. and Mrs. Charles Shaffer were invited guests.

A meeting on March 9 will be at the home of Mr. and Mrs. Herbert Shoo, East Seventh st.

Unity Class
The Unity class of the M. E. church will surround a girl in a mission school in France.

This action was taken at a meeting of the class Tuesday evening at the church.

Officers were nominated and they will be elected at a meeting next month. At the social period games were played and a lunch served by a committee of 12.

Golden Rule Girls Club
Members of the Golden Rule Girls club of the Presbyterian church, taught by Mrs. Andrew Stewart, had an enjoyable meeting Tuesday evening at the home of Miss Sarah Brown, East Seventh st. Radio entertainment and a lunch were features of the social period. The March meeting will be at the home of Helen Duncan.

Queen Esther Circle
Plans were completed for a benefit party to be held at the church on March 2 at a meeting of the Queen Esther circle of the M. E. church Tuesday evening at the home of Ruth and Helen Dressell, Jennings ave. Esther Stewart had the chapter in the study book. Two new members were added.

Success Club To Meet
The Success club will have an all day meeting Friday at the home of Mrs. Anna Wells, Crestnut st. Quilting will be the diversion of the day.

Kings Daughters To Meet
The King's Daughters of the First Baptist church will hold a meeting at 2:30 p. m. Thursday at the home of Mrs. Frank Hanson, 321 South Penn st.

Debian Society
The Debian society will meet at 7:30 p. m. Thursday at the Memorial building.

Miss Edith Rablert has returned from Columbia, where she spent a few days with Mr. and Mrs. Erwood Calvin.

N. ENGLAND STORM CLOSES SCHOOLS

Boston, Feb. 10.—While shipping at standstill while a northeast gale swept the coast, transportation seriously threatened and practically all schools closed New England was greeted today with its second severe storm starting early this morning. The storm at times reached blizzard proportions.

Telephone and telegraph wires were reported down in many of the outside cities and towns.

RADICAL GOES ON TRIAL FOR BLUE LAW VIOLATIONS

Brookline, Mass., Feb. 10.—A picturesque figure, masses of raven black hair curled down over his forehead almost to the top of the spectacles behind which keen eyes glitter, goes on trial in district court today charged with violating the ancient Puritan blue law prohibition blasphemy.

The man, Anthony Binba, alleged communist, of Brooklyn, N. Y., during a speech here on Jan. 29 is alleged to have asserted his "belief in a personal God. In later speeches, it is alleged, Binba advocated the overthrow of the government of the United States and his native Lithuania.

The blue law of 1697, under which Binba was held, is declared by the defendant to be unconstitutional. A fine of \$300 or imprisonment up to a year is the penalty. The law supercedes one of 1645 which made death the sole penalty for blasphemy.

NEW PADLOCKING PETITION AIMED AT OHIO PLACES

Cleveland, Feb. 10.—As the United States grand jury plunged into a consideration of what is declared to be one of the most widespread plots to defeat the Volstead act since its enactment, the government moved in another way to prevent the distribution of illicit liquor in northern Ohio.

Assistant United States District Attorney Howell Lewis filed padlock injunctions in federal district court today, praying the court that places named in the bill be padlocked for one year, following conviction of persons on charges of selling liquor there.

The new suit involves places in Akron, Barberton and Cuyahoga Falls.

JUDGE TO DECIDE FATE OF WOMAN

Sandusky, Feb. 10.—Mrs. Mary Keller, acquitted of the murder of her daughter, Fay Elizabeth, 8, "because of insanity," but held to be sane by a jury's commission that examined her yesterday, was being carefully watched in the Erie county jail today, having declared last night: "They'll never take me away from here except to put me under six feet of earth."

Probate Judge John E. Tannev was expected to pass upon the report of the commission late today. It is for him to decide whether Mrs. Keller shall be committed to an institution or set free.

PARENTS INURED SAVING CHILDREN

Toledo, Feb. 10.—Mr. and Mrs. John Brubaker were seriously burned when they rescued their ten children from their burning home near Gihsonburg, today.

Fire started from a defective flue. The loss was estimated at \$7,000.

WOMEN TO WEAR TWO GARMENTS ONLY, THIS YEAR

New York, Feb. 10.—The well dressed woman of 1926 will wear less clothes, it was announced today.

Two garments are plenty, Katherine Cunningham, Chicago designer, told the twenty-first annual convention of corsetiers.

One garment, she said, would be a combination which serves the purpose of brassiere, corset and "undie." Garment number two is the outer dress—there is no more.

"The corset as we knew it 20 years ago has disappeared never to return," said Miss Cunningham.

Spain To Argentine Flight Is Completed

Buenos Aires, Feb. 10.—Commander Franco and his intrepid companions landed here safely today, having made the flight from Montevideo in less than two hours.

Their arrival here marked the completion of the first flight from Spain to the Argentine capital.

Kills Pie Thief

Cincinnati, Feb. 10.—Robert Price, 33, a negro, died at General hospital of a bullet wound inflicted by Robert Earl, a foreman in a bakery. Price and another negro youth had broken a window in the bakery and were running away when Earl fired several shots at them, one of them hitting the lad.

Germany Applies

Geneva, Feb. 10.—Germany's application for entrance into the league of nations was formally delivered today.

The German consul presented the document to Sir Eric Drummond, secretary of the league. The ceremony was extremely simple and accomplished in the presence of a handful of people. No photographers were present.

Resume Bell Probe

Columbus, Feb. 10.—The state-wide investigation of Ohio Bell Telephone Co. rates was resumed before the state utilities commission today, with the company planning to have all its testimony pertaining to property valuations in the records by the end of the week.

Faces Charges

Cleveland, Feb. 10.—Refusing to answer questions propounded by Wilbur E. Benoy, assistant state attorney general, J. H. McMillen, manager of the Thistle Down race track, faces proceedings. Suit has been filed by Atty. Gen. Crable to close the track because of alleged gambling there.

Auto Kills Child

Tiffin, Feb. 10.—Eugene William King, 8, son of Chalmers King and wife of Bascom, died in Mercy hospital here today three hours after he was struck near the school in that village by an auto driven by Miss Leona Mitchell, 22, of Tiffin.

Less Steel Orders

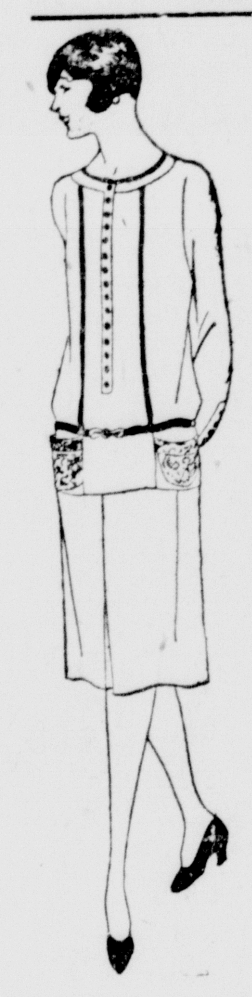

New York, Feb. 10.—The unfilled tonnage of the United States Steel Corporation on Jan. 31 amounted to 4,882,739 tons against 5,033,364 tons on Dec. 31 a decrease of 150,625 tons, according to the monthly report issued by the corporation at noon today.

Simple Lines, Quiet Hues Make Distinctive Costumes

The simple lines of the black evening dress on the left, above, with just a touch of trimming on the bodice and skirt, make a creation of distinction. An afternoon frock all in brown (center) is equally noteworthy. The embroidery on sleeves and collar is done in tones of brown, orange and gold. Fawn colored needlepoint fashions the street suit (right) with molded upper and circular lower sections. It is trimmed with caracul.

ABOUT TOWN

President Gives Report

Mrs. Kitty R. Howell of 1541 Polaris, county president, gave a report of the recent national W. C. T. U. convention at Detroit, when she was a guest of the local union at a meeting Tuesday afternoon at the home of Mrs. Mary Snyder, East Fifth St. The report showed that the national union had 41,000 new members in the last year. (1928) had 74 delegates at the convention.

Mrs. George Mountford gave a report on the Episcopal Plea for Beer.

Mrs. Anna Edgerton was appointed county superintendent of economic prohibition by the president. In two weeks the union will meet at Mrs. Edgerton's home, East School St.

Akron Fiddlers Win Twice In Contests For Ohio Champion

Cleveland, Feb. 10.—Whether or not the placid waters of the old Ohio canal, or the newer effects of rubber as it is turned into tires and other useful things for a later age have any effect on old time fiddlers was a matter for conjecture here today, following the victory of E. G. Freeman, 72-year-old Akron fiddler, in the second night's "old fiddler" contest at the Hippodrome.

Tue-day night Jonas Honlin, 85, who won the Beacon Journal's contest in Akron, took first honors.

A. G. Harper, 67, of Marion, was second, and C. F. McKee, 69, of Youngstown, finished third.

Another relay of fiddlers will be on tonight, and tomorrow night the three winners will battle it out to decide which shall hold the Ohio title and participate in Henry Ford's national contest at Detroit at a later date.

Religious Education Needed, Says Pastor

Columbus, Feb. 10.—Catching that "not one Protestant church out of five has any instruction of any kind in religion, and not one out of ten has anything like a scientific course in religion," Rev. Dr. Charles R. Erdman, Princeton, N. J., moderator of the Presbyterian General Assembly, in an address here, asserted that religious education is the world's greatest need.

He declared doctrinal differences, in time, will be settled.

Boy Astronomer's Invention Amazes

Latest invention of Bengt Stoenmgreen, 16, Denmark's boy astronomer, is amazing scientists of his country. It is an electrical apparatus which automatically registers movements of the stars, thus saving astronomers long and patient vigils at the telescope. The human eye is replaced by a photoelectric cell connected with a telegraph receiver which measures the time of transit of stars through the medium.

Babe Accidental Kidnaping Victim

When thieves made off with the milk truck of Roy Doane, South Lyon, Mich., they inadvertently kidnaped Raymond, 9-months-old son of the Doanes, who was asleep back of the seat. After an all-night search officers found the babe in the abandoned truck, suffering from hunger and the 15-below zero temperature.

HEAD OF CANTON STEEL CO. FIRED AT SEVEN TIMES

Canton, Feb. 10.—Gay Hiner, president of the Hiner Steel company, was shot seven times by two unknown assailants early today as he parked his car in his garage in the rear of his home on Logan ave.

Hiner replied to the fire but cannot tell whether or not he hit either of the gunmen. He believes his assailants were friends of four bandits shot by a posse of which he was leader three years ago.

The bandits had captured Motor-cycle Policeman John Wise, bound him and threw him out of their machine at the edge of the city. Three of the four bandits were badly wounded and died later in Aultman hospital. He was given a medal by the city for his successful foray against the bandits and believes that friends of the dead men tried to take his life.

Public Buildings Get Right of Way

Washington, Feb. 10.—A public building bill providing court houses, postoffices and other federal construction work at many cities throughout the country, for which congressmen have been clamoring for ten years, will be given right of way in the house next Monday, leaders decided today.

The bill will carry a total of \$165,000,000, of this, \$100,000,000 is for new buildings, \$50,000,000 for building in Washington, and \$15,000,000 to complete buildings previously authorized and partly constructed.

What Are You Doing For Your Puny Child?

One Boy Gained 11 Pounds in Seven Weeks and is now Strong and Healthy.

For weak, frail, underdeveloped children—and especially those that have rickets and need a sure builder that promotes the growth of teeth and bones, cod liver oil is the one medicine supreme—nothing helps like it.

But it is nasty and repulsive and even smelling and nearly always sets children's stomachs. So now up-to-date chemists advise McCoy's Cod Liver Oil Compound Tablets.

Children love them as they do candy because they are sugar coated and easy to take. One boy gained 11½ pounds in seven weeks, and is now healthy and happy—thousands of other children have grown strong and robust.

Sixty tablets for 60 cents at The J. H. Lease Drug Co., Fleming's drug store, Bolger & French's and all druggists—but be sure and ask for McCoy's—the original and genuine. Give them to the sickly, frail child for 30 days, and if they don't help—wonderfully, your druggist is authorized to hand you back the money you paid for them. Adv

A jury in common pleas court has awarded Clarence West of East Liverpool a verdict of \$1,713 in his case against W. R. Skeen of East Liverpool, which had been carried up on appeal from the former court of Justice of the Peace P. V. Mackall of East Liverpool.

The action was the result of an automobile collision. A jury in the lower court awarded the plaintiff \$200 damages. Skeen took an appeal. The case went to trial Monday, with Attorney Frank Grosshans representing the plaintiff and Leonard Hill & Davidson, the defendant. The verdict, since 12 jurors was returned at 2 o'clock Monday afternoon.

On account of the heavy accumulation of duplicate bills of sale and other court records, the county commissioners are about to install new filing cabinets in the office of Clerk of Courts Frank Balantine. Under the present filing system, there is no place in the office where the new bills of sale can be filed, and it is now necessary to pile them on tables and ledges of the filing cabinets now in service.

Filing cabinets are also to be purchased by the commissioners for the office of County Surveyor Lloyd C. Kirk, where the accumulation of plans and other records has reached the same stage as in the office of Mr. Balantine.

EXTRA SPECIAL CRASH T

GRANGE HITS BUMP IN PRO CLUB PLANS

Bankroll Will Melt If He
Invades New York, Says
Rival Promoter.

By DAVID J. WALSH
New York, Feb. 10.—Red Grange is a big boy and a great athlete but he has fallen into the hands of the Philistines. If he comes into New York for a professional football game, he will lose his shirt and that magic "Z" along with it. All that money he is supposed to have made this year will float right out the window.

Tim Mara, principal backer of the New York club of the National Professional Football League, made this statement today. A Philistine, according to Webster, is "one not appreciating the nobler aspirations and sentiments of humanity." Webster didn't add that a Philistine was one who failed to hold a franchise in the National Professional Football League for Mr. Mara knows that he meant it.

In fact, he agreed that the hands of a Philistine might prove more kindly than those of a receiver.

Balks Detroit Franchise
"And that's no joke," he added, "I didn't make enough money last year to stuff a hat brim. I remember the game where our net profits were something like \$105, which was about equal to what the players got. Of course, we expect to do better next year but it's a cinch the revenue won't increase to the point where there will be room for two clubs. Under those conditions, all of Jake Ruppert's money could hardly save Grange from going home broke."

Mara had just returned from Detroit where he successfully opposed Grange's attempt to obtain a franchise in the league, for operation at the Yankee stadium. Grange's reply was a threat to operate here independently. Mara says he wishes him all the luck in the world because he feels that Harold will need more than that.

"I can see that brand new bankroll of his melting right away," he said, "if he attempts to do it alone here."

TENNIS STARS IN INDOOR TOURNEY

New York, Feb. 10.—The first show of tennis talent ever to compete in national indoor championship of the Brooklyn Heights invitation tournament at the Heights casino will be seen when the matches begin on Monday.

The entries include all three members of the American team that will play the French in the international match this month, and practically all the leading players now in this country. William T. Tilden, second; Vincent Richards, Olympic singles and doubles champion, and Francis T. Hunter of Beckley, W. Va., the three members of the international team, will play the Alonso brothers, Manuel and Jose, members of the Spanish Davis cup team, are among the others entered.

Well-Groomed all Day

"Hair-Groom" is a dignified combing cream which costs only a few cents a jar at any drug store. Millions use it because it gives that natural gloss and well-groomed effect to the hair—that final touch to good dress both in business and on social occasions. Even stubborn, unruly or shampooed hair stays combed all day in any style you like. "Hair-Groom" is greaseless; also helps grow thick, heavy lustrous hair.

HIGH CAGERS GO TO RAYEN FLOOR

Coach Springer Takes His
Team To Youngstown
For Practice.

Coach Wilbur Springer Wednesday afternoon took his Salem High cage team to Youngstown for a practice session with Rayen on Rayen's floor. This is the first appearance of the Red and Black in Youngstown in a long period, and the practice will benefit Rayen and Salem alike, both are meeting tough opponents this week.

Thursday night will be chiefly a skill practice as Springer will take his squad over to Alliance to watch the Alliance High-Massillon High county title class in the Mt Union gym.

The squad is one short this week due to the temporary ineligibility of Kirkbride and center, and forward. One member of the Girls team just got into the passing grade division yesterday and will get to play this week, though it was first thought she would be ineligible.

One of the fullest programs in weeks will be indulged in Friday and Saturday by the first and second teams, and all games will be played on foreign floors.

The Boys meet Carrollton Friday and Akron Center Saturday. The Girls clash with Sebring Saturday, a team which the Red and Black defeated, 20 to 19, here in the season's opener. Friday the Boys Seconds go to Canton McKinley, and Saturday night both Boys and Girls seconds play at Rogers.

AMERICA'S STAR MERMAIDS BREAK THREE RECORDS

St. Augustine, Fla., Feb. 10.—With three world's records shattered in her first day's competition, America's star mermaids here were hopeful of breaking other marks today in the Women's National Amateur Athletic association swimming championship meeting.

Eleanor Garatti, 17 year old Italian girl of San Rafael, Calif., clipped two fifths of a second from her old record in the 50 yard open style, negotiating the distance in 27 1/5 seconds, and retaining her title.

In the 250 yard free style event Miss Martha Norelius of New York broke another world's record with her time of three minutes, 9 4/5 seconds.

Agnes Geraghty of New York won the 50 yard breast stroke championship breaking another world record with time of 35 3/5 seconds.

ONE LEAGUE PUTS RESIN ON SHELF; OTHER OKEHS IT

Washington, Feb. 10.—Special rules will have to be adopted for the next world's series, it became evident today, following the action of American league magnates in voting a ban on the use of resin by pitchers. The national league has approved its use by its fingers.

Clark Griffith, owner of the champion Senators, was responsible for the American league ban.

"Nearly all the cheating that pitchers resort to on the mound," he said, "can be traced to the use of this stuff. It should not be allowed."

The magnates held a quiet meeting here, adopted the playing schedule of 154 games, and then departed. There were no trades and no fights. The extension of Judge Landis' contract for ten years was not officially brought up.

EIGHT AMERICAN GOLFERS ENTER SCOTLAND MATCH

New York, Feb. 10.—America is assured of representation by a full team of eight players in the Alker cup tournament at the St. Andrew's club in Scotland, the United States Golf association announced.

George Von Elm of Los Angeles, Calif., whose acceptance was doubtful because of the demands of business, has made it known he will play as a member of the American team. Bobby Jones, national champion, has indicated he also will go. Other members of the team are: Watts Gunn, Atlanta; Robert Mackenzie, Washington, D. C.; Bob Gardner, Chicago; Jess Sweetser, New York, and Jesse Guilford and Frances Quimet of Boston.

Lisbon News Notes

Sermon On Washington

The Rev. R. J. Bennett, pastor of the Lisbon Christian church, will preach a special sermon at the evening service Feb. 21 on the subject of "George Washington as a Mason." The Rev. Bennett has announced that he will send a personal invitation to all members of the Masonic fraternity in Center township to attend this service, which will be featured by a special program of music by the church choir.

Bible Reading Contest

The Young Peoples society of the Church of the Nazarene of Lisbon, which has been conducting a Bible reading contest, read a total of 2,406 chapters. The contest began in January, and the number of chapters so far read is declared by the Rev. G. B. Schiesser, pastor of the church, to be a record for Bible reading in this county.

ROBBERS ENTER SCHOOL, CHURCH

Boys Blamed for Breaking
Into Columbiana Public
Buildings

Columbiana, Feb. 10.—Maurauders, probably a group of boys, broke into two of Columbiana's public buildings Sunday night.

At the Methodist church they broke a piece of glass out of one of the south windows, unlocked the window and did the same thing to one of the inside doors. Nothing appears to be missing at the church, although burnt matches show that they were all over the building. It is a mystery what they expected to find there, unless they expected the Sunday collections to be left.

At the school house the same methods were used, burnt matches also leaving a trail.

Here they doubtless hoped to find the receipts of the Saturday basketball games. However, according to Supt. F. J. Sewall, the only things missing were taken from his office, including a pocketbook containing 15 cents that had been found, a fountain pen and 50 or 40 stamps.

London—Having been around the world so many times that his "head got dizzy," Capt. John Pettie of St. Anne-on-Sea, has decided at the age of 72 to settle down—and has taken as his bride, Miss Edith Hurst, about 40 years his junior.

Youngstown—Jews of Youngstown opened their campaign for \$25,000 this city's quota of the United Palestine appeal for \$5,000,000 with a banquet Tuesday evening in Hotel Ohio.

SAIL TO DEDICATE MAINE MONUMENT

Col. Thompson and Party To
Honor Sailor Heroes
In Havana Harbor

New York, Feb. 10.—Every ship sailing from New York for Havana carried delegations of Americans inspired by a common faith for liberty. But the ship carrying Cuba bound today—dedication of famous Americans whose mission was inspired by a love of liberty less personal than patriotic.

The delegation was headed by Col. Carmi A. Thompson of Cleveland, commander-in-chief of the United Spanish War Veterans, who on Monday—the 25th anniversary of the sinking of the Maine by a mine in Havana harbor—will dedicate a monument erected by the Cuban government in honor of the 260 American sailors who lost their lives in that disaster.

Accompanying Col. Thompson were Congressman Harold Knutson, chairman of the house pensions committee; Congressman Thomas S. Butler, chairman of the house committee on naval affairs; Monsignor Joan Chwick of New York, chaplain of the

THE GUMPS—THE STAG AT BAY

Carlotta has Albany Al, one of the slickest confidence men in the country to impersonate a lawyer. He calls on Uncle Sam to collect a million dollars worth of healing balm to mend the broken heart of Uncle Sam's playmate, little innocent, unsophisticated, Prudence Church.

At the time of the explosion, Senator Rice Means of Colorado; Col. Winfield Scott, commissioner of pensions, and a large party including several past commanders of the United Spanish War Veterans. Mr. and Mrs. L. H. Brush of Salem were in the party.

"I believe this dedication takes place at a most fortunate time," said Col. Thompson on sailing, "as it may serve to attract the attention of the world to the American ideals and American friendship can accomplish."

"These factions and elements abroad, who continue to deride American's professions and to cast suspicion on America's principles, cannot but admit that in the case of Cuba every American profession has been fulfilled and American principles have been applied with unchanged success."

"When the Maine steamed into Havana harbor, Jan. 24, 1898, the mission was one of protection of American lives. When the Maine was treacherously sunk its mission was nation, and broadened to embrace taken up by the entire American lives and liberties of our Cuban neighbors."

At the dedication of the Maine monument, which it has taken four years to erect, at a cost of \$750,000, speakers, in addition to Col. Thompson, will be President Machado of Cuba, Gen. Betancourt, president of the Cuban War Veterans association, Gen. Crowder, ambassador to Cuba and Capt. Watt Chivers, who was an ensign on the Maine.

of the eight reels, several powerful scenes occur, depicting the important events in the life of the Reformer. The part of Luther is played by the German dramatist Wuestenhausen.

"In the preparation of this film the original settings in Germany were employed. Properties used in the film include clothes which were worn by Luther, two of Luther's Bibles, the late which Luther used, the famous Wartburg inkwell, letters of indulgence and other objects of historical interest. These were lent by the Luther Museum at Erfurt.

In addition to being instructive and educational, the picture succeeds as a medium of entertainment. It is valuable and especially interesting to students of Luther and his work.

"OVER THE HILL"

One of the big photoplays of all time is the beautiful William Fox photo drama of mother-love entitled "Over the Hill," which has been released and will be seen at State to night and Thursday.

Founded upon the famous poem by Will Carleton, this simple story of the devotion of a mother for her children in spite of the trials and tribulations to which they subject her, is one of the most appealing stories ever screened. Staged under the direction of Harry M. Stutz, it has relied for its great strength with the public upon the simple theme and plain story of a mother and her family whom she carefully rears and protects.

One of the unusual features of the William Fox production is the fact that the actress who enacted the role of Ma Benton actually had four of her own children playing the parts of her film-brood. Ma Benton is portrayed by Mrs. Mary Carr.

Wants Full Report Of Cabinet Meetings

Washington, Feb. 10.—Asserting that "the mystery that hangs over the White House" should be penetrated, Rep. Loring Black (D) of New York, introduced a bill in the house today providing that a full stenographic report of all cabinet meetings be taken

and incorporated in the Congressional Record for public perusal.

"This would serve a two-fold purpose," said Black. "It would enliven the dead matter of the record, and permit a penetration of the mysteries and silences of the White House. Publicity never hurt anything, anyway."

Yonestown.—One boy is dead and four other persons injured as the result of coasting accidents over the week end. The dead boy is Sovey Shugr, 11.

How to stop BOILS!

There's only one way to stop boils. Stop the cause of boils! That's common sense—isn't it? All right. Boils thrive because the blood gets so weak in healthy, red cells that it can't throw off the impurities that get into the body. There's not enough rich, red blood to purify the system.

Now—S. S. S. builds back the blood to fighting strength. S. S. S. builds red-blood-cells—builds them by the millions! Boils dry up!

S. S. S. is the thing. Impurities that cause boils and other skin eruptions can't stand up against the rich, healthy, red blood that S. S. S. builds. That's all there is to it.

Stop boils with S. S. S. It's the way. Get it at any druggist. The larger bottle is more economical.

Mothers, Do This—

When the Children Cough, Rub Musterole on Throats and Chests

No telling how soon the symptoms may develop into croup, or worse. And then's when you're glad you have a jar of Musterole at hand to give prompt relief. It does not blister.

As first aid, Musterole is excellent. Keep a jar ready for instant use.

It is the remedy for adults, too. Relieves sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of back or joints, sprains, sore muscles, chilblains, frosted feet and colds of the chest (it may prevent pneumonia).

To Mothers: Musterole is also made in milder form for babies and small children. Ask for Children's Musterole.

a Record Breaking Year ... and a still Greater Year to Come

With sales in excess of 250,000 cars, Dodge Brothers, Inc. have just completed the greatest year in their history.

Had it been possible to produce cars in sufficient numbers, their increase over 1924 would have been even more substantial.

This year the production problem has been mastered. A \$10,000,000 expansion program stands completed—and the enormous output of 1925 will be nearly doubled!

Production on this stupendous scale makes possible the astounding low prices announced January 7th.

It makes them possible even though the car is better today than ever before. These are but a few of the vital refinements—

Rich and attractive new colors.
Absolute smoothness of engine operation.
A new snap and elasticity of operation throughout.
Smart and stylish new body lines.
Complete vision from every angle of the sturdy all-steel body.

Dodge Brothers Motor Car has always been an exceptional product. With these refinements, at these new prices, it is without question the greatest value Dodge Brothers have ever offered.

SUES TEACHER FOR WHIPPING HER BOY

Sebring Woman Also Names Teacher's Father In Suit for \$5,000

Mrs. F. F. McGowan of Sebring, has entered suit for \$5,000 against Pauline Klingensmith and her father Dr. J. B. Klingensmith, of Sebring, for damage done her son, Patrick, when whipped by Mrs. Klingensmith, a former teacher in the Sebring schools.

Mrs. McGowan alleges Dr. Klingensmith entered into a conspiracy with his daughter to whip Patrick. The petition claims the doctor procured a strip of garden hose four feet long for the express purpose of whipping the boy.

The whipping took place Jan. 14, in

McKinley school. The boy, Mrs. McGowan claims, was forced to stay away from school for four days as a result.

She protested to the Sebring school board and a short time later, Miss Klingensmith resigned from the teaching staff. The board of education later denied it had dismissed her.

Gotham Mayor Must Take Complete Rest

Albany, N. Y., Feb. 10. — Mayor James J. Walker of New York, may have to take a complete rest because of illness from which he has been suffering for the last few days.

This opinion was expressed here by Dr. William H. Walker, the mayor's brother.

Suffering from a cold and completely tired out, the mayor came to Albany with a view of attending a legislative hearing when a measure to give New York city \$275,000,000 for subway construction was up for discussion.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 15c and 30c.

Rely on your Dentist

Your dentist wants to prevent pain, not to cause it. He won't hurt you, if you go visit him often enough. Have him examine your teeth and gums at least twice a year to keep them healthy. He may prevent serious illness often caused by mouth infections.

Forhan's FOR THE GUMS

More than a tooth paste—it checks Pyorrhea

RHEUMATISM, neuritis and other kindred ailments frequently follow pyorrhea, the dread disease of the gums. Yet carelessness makes pyorrhea all too prevalent. Four out of five suffer from it after forty, and many younger, according to your dentist's own figures.

To be among the fortunate few who escape pyorrhea, begin at once using Forhan's for the Gums. If used regularly and in time, Forhan's prevents or checks pyorrhea and safeguards your health.

It contains Forhan's Pyorrhea Liquid, which has been used by dentists for the last 15 years in the treatment of pyorrhea. It is a pleasant, cleansing dentifrice that the entire family likes.

Today is none too soon to start brushing your teeth with Forhan's. Buy a tube right away and don't give pyorrhea a chance. All druggists, 35c and 60c in tubes.
